That means that we can send five Delegates only to the Annual Conference as Manon was the only nominee under 27 and one of the six places is for a youth Delegate. The meeting has a debate on the motion:

Philip speaks in favour.

Sunny will second the motion too. He speaks in favour of it

Barrie says he doesn't agree Reform should have more votes as the Lib Dems campaigned in the Constituency whereas Reform used money and the media.

**Caroline reads a message to the GC Delegates from CLP Vice Chair Cassandra Rist:**

- I am so sorry I am not able to join the GC this evening and want to say a huge thank you to every single one of you who came out to support the campaign.
- From those who phone banked with broken legs, to those who supplied us with jerk chicken wings, to all those who made the treacherous journey to Chipping Barnet, we couldn't have done it without you.
- I'll be working over the summer to build on the momentum we created and think about how we can keep mobilising our efforts. Door knocking might be over for now but we might want to throw our considerable campaigning weight behind a national issue moving forward.
- There are many who joined us for the first time and it will be up to us to keep them engaged, especially now our hard work has paid off. We'll be back with a bang in September with our thank you party and I'm sure I'll see many of you around Peckham over the summer!
