RE: October 19 – Peckham CLP partnering with Cities of London and Westminster for General Elections

Dear Yunze,

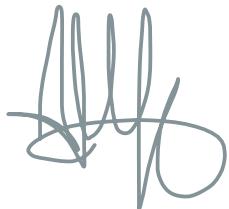

I hope this email finds you well.

As you may know, Camberwell and Peckham Labour Party recently formed a successful partnership with Chipping Barnet during the July 2024 General Election.

Given the positive outcome for Chipping Barnet's candidate and our Peckham Labour Candidate, Miatta Fahnbullah MP, I am reaching out to you as Secretary for advise on the possibility of a similar collaboration for upcoming Parliamentary campaigns.

I am currently working on a proposal to present to our CLP General Committee which involves sharing campaign strategies with Cities and Westminster CLP. Do you see this partnership as being feasible in future? If yes, would you be able to advise on next steps in terms of correspondence. If not, could you please explain why.

Many thanks,

Alfred Anate Mayaki
Vice-Chair of Campaigns
